You just can't beat this classic party cruise, which is probably why it remains the most popular of our range of parties afloat!

Featuring all the basic ingredients necessary to get your party started, all you have to do is choose from one of these options.

An excellent "all-rounder" - this package really lends itself well to any function where a disco party atmosphere is required. So bring your friends, family, colleagues, social club, even your boss...

With two options to choose from, you're guaranteed a fantastic night out! Cruise for four hours on the scenic Royal River Thames, the perfect backdrop for a summer evening.

Let your hair down on the top deck with a lively disco playing songs from all eras, and tuck into a light buffet on board. Choose the Summer Sensation Plus option and be welcomed on board with a glass of refreshing Pimms, pure summer in a glass!
