The Savill Garden

The Savill Garden is a haven of beauty in the heart of Windsor Great Park. Nestled into 35 acres, highlights include National Collections, rare species and Champion Trees. Sir Eric Savill, the woodland garden's grand master, created The Savill Garden in the 1930s with the support of King George V and Queen Mary. Since then, it has continued to develop under Royal Patronage, always offering visitors something new to discover, from the original azaleas planted by Sir Eric Savill to the Queen Elizabeth rose, newly-planted to mark HM the Queen becoming our longest reigning monarch.

French Brothers

Based on the Thames at Windsor, Runnymede and Maidenhead, French Brothers offer a variety of luxury boats and services. As a family company, they are dedicated to always offering the highest levels of service and professionalism to each of their customers.
