

800th anniversary

Magna Carta trips

800 years of freedom.

In 1215, King John came to Runnymede in order to place his seal on the Magna Carta. This has proven to be one of the most significant events in history. Many of the World's constitutions have been based on this historic document, including the United States of America.

In 2015 the world celebrates its' 800th anniversary.

Bring your group to Runnymede in 2015 and we will show them the sights. There are 3 memorials to see as well as many other points of interest - all will be highlighted in a special commentary.

ALL OF THE TRIPS IN THIS LEAFLET TAKE IN THE MAGNA CARTA SIGHTS.
